# KELLY GIBBS

I'm a multi-disciplinary educator with experience in both communications and research. I'm passionate about employee training and creating an efficient and equitable workflow using data, design and communication.

## PROFESSIONAL EXPERIENCE

### *Operations & HR*

MOME SWEET MOME | SEPTEMBER 2016-PRESENT

I am part of the MSM management team, overseeing a group of English centres and a team of teachers. The current position includes operations, customer relations, human resources.

### *Workshop Animator*

WAX SCIENCE & SSF | 2018-PRESENT

In my spare time, I facilitate workshops in a variety of areas including gender, STEM, sexual health awareness and privilege systems. I have given workshops with WAX Science in France and the Summer Science Factory (SSF) in Croatia.

### *Project Management & Communications*

FORWARD PROJECT | MARCH-JULY 2019

During this internship, I led the communications strategy and helped organize project design, field interviews, data collection and assistance in developing international partnerships.

### *Pedagogy & UX*

ARABIGO | SEPT 2018-FEBRUARY 2019

During this internship, I designed the curriculum and the UX & UI for the launch of Arabigo, an application teaching the Arabic language.

### *Communications & Management in the U.S.*

NATIONAL PUBLIC RADIO | JUNE 2011 - DECEMBER 2013

I produced stories on education, human rights, and the environment when I was a long-term intern and volunteer for National Public Radio in Florida and Washington, DC.

GLOBAL WASHINGTON | JANUARY - APRIL 2014

I was a journalist and editorial trainee for the NGO Global Washington in Seattle. I wrote articles on events occurring with NGO partners, particularly on the themes of human rights, the environment and health.

HOSPITALITY MANAGEMENT | JANUARY 2010 - APRIL 2015

During my studies and in parallel with my internships after college, I worked and managed bars and restaurants in Florida and Washington. Some of the places I worked included Bistro de Lyon (2 years), Hilton Seattle (2 years) and Tom Douglas Restaurants (1.5 years).

## PASSION PROJECTS

### **Education & Equality**

I co-created the Unnatural History (UH) Collective in 2018, developing virtual reality experiments around modern issues around gender inequality. The UH Collective created the first VR experience around sexual health inequalities in society, allowing users to visit the gynecologist instead of a woman.

### **Investing in newcomers**

I co-founded the association Re:Start en 2017, an inclusive digital education for newcomers, refugees and asylum-seekers in France. I'm in charge of communication and assist in the organization of events, partnerships and pedagogy programming.

## EDUCATION

### **CRI & Paris Diderot**

MASTER OF INTERDISCIPLINARY APPROACHES TO RESEARCH AND TEACHING (AIRE) | JUNE 2019

The AIRE EdTech program focuses on the digital transformation of society and innovation in education and communication. I wrote my research thesis on gender disparity in sex education .
